Bill Goncy, Mayor
Village of Boston Heights
45 East Boston Mills Road
Hudson, Ohio 44236-1153

Dear Mayor Goncy:

This letter is in response to your request for a last line of address of Boston Heights, Ohio.

A review of the data between Hudson and Peninsula was completed February 10, 2015. Based on the findings of the review, the United States Postal Service approves the use of Boston Heights, Ohio as a last line of address.

Please note: The results indicate that there are no duplicate street names or addresses between the two ZIP Codes, which is one of the biggest factors when approving or disapproving a mailing name request. There are, however, duplicate post office box addresses within the two ZIP Codes that create the potential should a mailer make a mistake in assigning the correct ZIP Code. The USPS cannot be held responsible if a mailer incorrectly addresses a piece of mail and we deliver it as addressed. Mail will continue to be delivered as addressed if mailers use Hudson or Peninsula as the last line of address. The USPS has no authority to require mailers to use Boston Heights as a last line of address.

If you have any questions or concerns please contact George Brewer, Manager, Address Management Systems at (216) 443-4526.

Sincerely,

A handwritten signature in black ink that reads "Jim Oblock".
