SAFETY COMMITTEE

On behalf of the Safety Committee, Chairman Glen Blakeney would like to thank Village residents for their strong support of Issue 44, the recent Fire Levy, passed in November.

The Village completed its 1st year of a 3-year contract with the Valley Fire District. This year, our Fire Department sponsored a community Open House and hosted a steak roast in September at the Village Fire Department Building. We also have an ambulance available 24/7 at the station.

The Boston Heights Police Department has applied for a government grant to provide **body cameras** for our officers. The cameras will protect our officers and our residents.

“Shop with a Cop” took place on Saturday, Dec. 13th. Two children from the Village were selected to participate in this annual event at Walmart. The children had a great time!

Santa Delivery was Sunday, December 7th; many thanks to those from Village Hall and the community who helped with this festive event! Thank you Mr. and Mrs. Santa Claus!

Mayor Gony and Councilmen Blakeney, Fenn and Polyak joined the Hallis family at SKYZONE Indoor Trampoline Park’s Ribbon Cutting and Grand Opening on October 30, 2014.

In July, Council passed an Ordinance (ORD: 2014-7-17) approving the Village's **COMPREHENSIVE LAND USE PLAN**. The steering committee met regularly for almost 5 years in order to "help the community develop a plan that best meets the wants of the residents while balancing the need for revenue to support the desired quality of life." Funding for this study was provided by the Akron Metropolitan Area Transportation Study through the Connecting Communities Planning Grant Program. This program encourages the development of plans that enhance neighborhoods by improving transportation connections and promoting alternative modes of transportation like walking,

biking and transit. Members of the steering committee include **Michael Bush, Ted Chandler, William J. Hinkle, Don Polyak and Mayor Bill Goncy.**

The Comprehensive Land Use Plan will soon be posted on our website and can be viewed at: www.villageofbostonheights.com.
