  - C. The total number of entries, the number of winning and losing entries and the number and nature of prizes of the sweepstakes game are finite, predetermined and established prior to the start of the sweepstakes.   - (d) Only certificates or reports from the entities listed by the Administrative Agent as Authorized Independent Testing Laboratories shall satisfy the requirements of this Section. Said certificate or report shall be provided to the Administrative Agent for each entertainment device prior to an operator placing the device into service.  
  
The certificate or report for an Authorized Independent Testing Laboratory required herein shall be updated annually for each entertainment device and the updated certificate or report shall be provided at the time of each annual application, and shall contain the information required in this subsection.
  - (e) Any update to an entertainment device, or the software therein, during the course of the year shall be reviewed and inspected by an Authorized Independent Testing Laboratory, and a certificate or report from the Authorized Independent Testing Laboratory shall be filed with the Administrative Agent prior to the operator placing the device in service, and shall contain the information required in this subsection.
  - (f) No entertainment device shall be lawfully operated unless it is certified to meet the requirements of this subsection.
  - (g) Duty to keep information current. The person, partnership, corporation, or other entity operating or conducting an entertainment device arcade shall have a continuing duty to inform the Administrative Agent as to changes in the

information required in this section.

- (h) Rejection or approval of application. The Administrative Agent shall reject or preliminarily approve an application within ten (10) business days of receipt. If rejected, the Administrative Agent shall notify the applicant in writing, with reasons for rejection. If the application is preliminarily approved, the Administrative Agent shall notify the applicant in writing of said preliminary approval. Upon notification of preliminary approval, applicant shall pay to the Clerk-Treasurer of the Village the semi-annual license fee due in conjunction with the initial or annual application for each entertainment device that will be located on the premises during the following semi-annual period. Upon notification of receipt of said semi-annual license fee, the Administrative Agent shall grant final approval of the application and shall issue a license to operate. No person shall operate an entertainment device arcade, until such final approval is granted and said license to operate is issued, unless otherwise permitted herein.
  
- (i) Prohibition as a result of conviction: fire inspection. The Administrative Agent shall not issue a license to any person, partnership, corporation, or other entity if any of the persons with an interest in the business or if any of the employees of the business have been convicted of a violation of a federal or state statute or of any local ordinance pertaining to gambling or other crime of moral turpitude within five years preceding the application. Also, as a prerequisite to the issuance of such license, an inspection shall be made of the premises by the Village of Boston Heights Fire Department and Zoning Inspector to seek and obtain the approval of said department.
  
- (j) Right of entry for inspection. The entertainment device arcade shall be open to inspection and viewing of operations by the Administrative Agent, fire department personnel, Zoning Inspector, and health department personnel at all times that the arcade is open for business. Law enforcement agency officers may accompany officials from the Administrative Agent, fire department, Zoning Inspector, and health department on any official business or inspection to the extent authorized by this Chapter of these Codified Ordinances. No operator shall fail to immediately permit entry to any such officials.
  
- (k) Suspension or revocation of license. Failure to register or pay a license fee for an entertainment device shall be grounds for immediate suspension or revocation of the license for the entertainment device arcade and said device shall be seized and forfeited to the Village of Boston Heights.

**SECTION 711.04 LICENSE FEES; TRANSFER AND DISPLAY; DISPOSITION OF FEES.**

- (a) License fees. The non-refundable annual license fee, payable to the Clerk-

Treasurer of the Village at the time of initial or annual application to the Administrative Agent, shall be \$1,000.00 for each entertainment device arcade location for each calendar year or any part thereof. Additionally, a semi-annual non-refundable license fee of \$200.00 shall be paid to the Clerk-Treasurer of the Village for each entertainment device that will be located on the premises during the following semi-annual period. The semi-annual license fee for each entertainment device shall be paid upon preliminary approval of the initial or annual application and no later than June 1st of each calendar year, or, if the entertainment device is brought to the premises following the payment of the semi-annual license fee, prior to such time as the entertainment device is brought to or operating on the premises. For purposes of determining licensing fees, each device that is operable by one person, or having an independently viewable video or similar display screen, is a separate entertainment device. The Clerk-Treasurer shall notify the Administrative Agent upon the receipt of such fees.

- (b) Non-transferability; display. Licenses issued under this article shall not be transferable to any other person, partnership, corporation, or other entity and the business may be conducted only at the location for which the license is issued. The license must be so placed as to be made conspicuously visible and shall list each entertainment device with serial number.
- (c) Disposition of license fees. License fees received by the Village of Boston Heights shall be deposited into the General Fund of the Village.

#### **SECTION 711.05 LICENSE REVOCATION; HEARING PROCEDURE.**

- (a) Creation of commission. An Entertainment Device Arcade License Review Commission is hereby created to hear complaints concerning entertainment device arcade licenses. The Commission shall consist of the Mayor or his/her designee, the President pro tempore of the Village Council or his/her designee and the Clerk-Treasurer of the Village or his/her designee.
- (b) Revocation or suspension of license. A license may be suspended or revoked at any time by the Commission on satisfactory proof that violation of the laws of the State of Ohio, the Codified Ordinances of the Village of Boston Heights or this Chapter occurs or has occurred at an entertainment device arcade. In addition to any license suspension, the Commission may assess the licensee a penalty fee of not less than \$500.00 or more than \$1,000.00 for any violation of this Chapter. Each day a continuing violation exists shall constitute a separate violation for purpose of assessing penalty fees. Suspensions, revocations and assessments of penalty fees by the Commission are in addition to and separate from any criminal liability and does not preclude criminal prosecution for any violation of this Chapter or other Village Ordinances or other applicable laws. Penalty fees shall be disposed of in the same manner as license fees as set forth in Section 711.04(c).
- (c) Submission of complaint; regular inspection. Any resident of the Village of

Boston Heights may submit a written notice of complaint to the Administrative Agent concerning any entertainment device arcade located within the Village. The notice of complaint shall include the name of the resident, the address of the location, the Administrative Agent's device identification number, if known, and the specific reasons why the complainant is complaining. The Administrative Agent and/or the law enforcement agency responsible for policing the Village shall regularly inspect the premises, the operation, the entertainment devices and the licensee's records and may issue a notice of complaint to the licensee for any violations.

- (d) Interview of complainant. The Administrative Agent shall interview the resident complainant, as set forth in subpart (c), and inquire as to the specific reasons for the complaint. The Administrative Agent may dismiss the complaint if it is determined that:
  - (1) The specific reasons listed in the complaint are not proper grounds for suspension or revocation of the license; or
  - (2) There are not substantial credible facts to support the complaint.
- (e) No appeal from dismissal of complaint. No appeal shall lie from the decision of the Administrative Agent to dismiss a resident complaint.
- (f) Fact-finding conference. If the complaint is not dismissed by the Administrative Agent, it will then notify the licensee and the owner of the devices on the premises, as listed on the license application, that a complaint has been filed and will set a date for a fact-finding conference on the matter. Extensions will be granted and necessary investigations will be conducted at the discretion of the Administrative Agent and it may request the assistance of the law enforcement agency to assist in the investigation. For the purpose of conducting the investigation, the Administrative Agent and any assisting law enforcement agency officer shall have access to the entertainment device arcade and the records of the licensee during all times that the entertainment devices are available for play.
- (g) Resolution of complaint. At the time of the fact-finding conference, the complainant, the licensee, and the owner of the devices will meet and attempt to amicably resolve the situation. If the complainant, licensee, and the owner can reach an amicable solution, the Administrative Agent shall issue a written notice directing the licensee to comply with the agreed resolution of the complaint.
- (h) Referral to the Commission. After a fact-finding conference, if the parties cannot agree upon an amicable solution to the problem, the Administrative Agent shall transmit the complaint, together with its recommendation thereon, to the Entertainment Device Arcade License Review Commission. The Administrative Agent recommendation may be for dismissal of the complaint, suspension of the license and assessment penalty fees, and/or revocation of the license.

- (i) Hearing. The Commission may accept, reject, or modify the recommendation of the Administrative Agent. The complainant, the licensee and the owner of the devices, as listed on the license application, shall be notified in advance by certified mail of the day on which the Commission is to consider the complaint; and they may, if they so choose, be present during consideration of the complaint. Consideration of the complaint before the Commission shall be a public hearing which shall be held within 30 days after said notice is given. The licensee shall have the right to be represented by counsel, and have the right to examine and cross-examine witnesses. The Commission shall enter its decision the day of hearing. In the event of a decision and ruling adverse to the licensee, the licensee shall have the right to appeal such decision and ruling to a court of competent jurisdiction under authority of and pursuant to the provisions of Chapter 2506 of the Ohio Revised Code.
- (j) Other enforcement actions. The complaint process set forth in this section is separate and distinct from any law enforcement action taken to enforce the laws of the State of Ohio or the Codified Ordinances of the Village of Boston Heights and this Chapter, and is not a condition precedent or otherwise an impediment to enforcement of said laws by criminal prosecution.

#### **SECTION 711.06 LOCATION.**

- (a) Limitation on location. No license shall be granted to an entertainment device arcade that operates any entertainment device within 500 feet from the boundaries of a parcel of real estate having situated on it a residential dwelling, hotel, motel, tourist house, school, hospital, nursing home, public administrative or any public safety building, public library, public playground, or any establishment that has been issued a liquor permit by the State of Ohio.
- (b) Exception: change in ownership. This article shall not apply to any entertainment device arcade locations in existence at the time of the passage of this ordinance, and shall not apply to any duly licensed entertainment device arcade locations in existence at the time a school, public library, public playground, or any establishment that has been issued a liquor permit by the State of Ohio moves within 500 feet of said entertainment device arcade. However, any change in ownership of the entertainment device arcade or change in location will remove said entertainment device arcade from this exception. "Change in ownership" in the case of a partnership or corporation for the purpose of this section means more than 50 percent change in partners or shareholders from the partners or shareholders owning the partnership or corporation as of the date the school, public library, or public playground moves within five hundred feet of said entertainment device arcade.

By the second Tuesday of each month the operator shall cause to be delivered to the Administrative Agent a copy of the record of things given to persons together with the above required information given during the preceding month.
