Minutes:

Meeting came to order at 5:10.

Attendants: Bill Goncy, Dave Krock, Ron Fenn, Dawn Blakeney, Jim Robinson

- 1. Dave is looking into working with ODOT on the bridge inspection and making it as late in the year as possible. Mayor Goncy is working with Bob Rosen to schedule a meeting with Gannett Fleming, ODOT, the village and the metro parks late next week to discuss options and costs of the project.**
- 2. The community meeting for the Hines Hill Rd. project is scheduled for April 18, 2012 at 7:00pm at the town hall**
- 3. Jim and the crew have started the ditching projects that are not to be hired out. He reports no new flooding so far this year. Other ditching projects have been advertised and applications are due March 26, 2012.**
- 4. The truck was placed on eBay 3/19/12.**
- 5. They mayor has several quotes for the tree trimming and removal along Hines Hill Rd. He will be moving forward with a P.O.**
- 6. This has been tabled until we can get more information from the call records.**
- 7. These signs have been ordered and should be arriving soon.**

8. **All new reflective street signs have been posted with the exception of I street that will be done by the end of the week. The crew will be busy in the park working on the baseball field to open April 1, 2012.**

9. **Repairs to the salt barn and car should be covered 100% by insurance. The mayor is working on estimates. The frame will be doubled and inspections will happen each spring.**

10. **Dave is working on a letter to residents on this matter as well as looking at how best to enforce the current ordinance with Marshal.**

11. **One resident would like to see us check into welcome signs at village limits. The mayor reports that this has been done before and is a little pricey. We can discuss fundraisers and ideas for signs. Jim reports that many times he has had the corporation signs stolen as souvenirs and has had to replace them.**

Meeting adjourned at 5:43
